Membership Renewal/Application

Happy New Year! It is time to renew your membership or join the Rescue Historical Society. We are a small group of people all interested in preserving the Rescue area history. You need not live in Rescue to become a member.

Why should you join?

- Every day, something happens in this area that takes away from the rich history of this very unique community, and once it gone this history is lost for ever. The Rescue Historical Society was formed many years ago to help educate the public and county officials about this history.
- By joining us, you provide the ability for us to keep people informed of the history and how together, we can help record and preserve it. Your small membership fee helps us educate.

What do you get for your membership dues?

- A quarterly newsletter that highlights Rescue related historical stories, and keeps you abreast of Society activities and our calendar events.
- Satisfaction that you are helping preserve the heritage of this important Gold Rush area, and safeguarding its legacy for future generations

How to renew my membership or apply for membership?
